

Atlas Plan nasce dalla storicità di Atlas Concorde, la costante ricerca dell'eccellenza di processo e di prodotto ha portato Atlas Plan in pochi anni a crescere fino a diventare un brand di riferimento nel mercato delle grandi lastre.

Il grande formato delle lastre Atlas Plan, rettificate e non rettificate e con diversi spessori, permette l'applicazione in qualsiasi tipo di progetto: top per il bagno e la cucina, backsplash, piani lavabo e lavabi integrati, piani di lavoro, piani per tavoli e scrivanie, banconi, elementi d'arredo, pavimenti e rivestimenti a parete per ambienti indoor e soluzioni outdoor come le facciate ventilate.
